Departments

As the first University in Negros Occidental, UNO-R is a top performing school in Medical Technology, Engineering, and Criminology.

Services

Beautiful and vast, the biggest University in Negros Occidental is equipped with infrastructure that serve as pillars for your educational needs.

Philosophy

An Augustinian Recollect Center of Learning which makes knowledge (Scientia) a structure of wisdom that leads one to the exercise of love (Caritas).

Vision

A Catholic University committed to the integral formation of the human person with passion for excellence and service to the Church and society.

Mission

An Augustinian Recollect University that educates the mind and the heart by providing the climate, the structure, and the means to develop the vocation, knowledge, skills, talents, and attitude of the community as permeated by the Gospel values for the service of humanity, love and praise to one God.
